

Instead of underwriting a specific activity or service, your business can give towards the general running costs and unexpected costs of the event and to help benefit FCEF's volunteers who will be giving a great deal of time to provide for the community. We will offer three levels of sponsorship to best thank our sponsors.

Gold Sponsor (Honoree)= \$1,000-\$2,000

A Gold Sponsor will be considered a major event sponsor, and will have their name included in the name of the event (i.e. Family Church's *Christmas Village at Homestead Farms* made possible by Your Business.) You will also be given as many as 3 brochures, business cards, or promotional packets in our give away bag. You will also get a full page ad in the beginning Gold Pages of our event journal. In addition to all of these benefits, a Gold sponsor will be recognized and will receive an honoree award for contributions to the community during our opening tree lighting ceremony.

Frankincense Sponsor= \$500-\$999

A Frankincense sponsor will receive acknowledgement on all promotional literature, immediately following the Gold sponsors. You will also be named on the large banner right at the entrance of the event, and be allowed to place two promotional materials in our give away bag. You will also get Frankincense Placement in our event program (at the front of the book right after gold sponsor(s)). Our Frankincense Sponsors will also be mentioned during the opening ceremonies.

Myrrh Sponsor=\$100-\$499

A Myrrh sponsor will also receive acknowledgement on all promotional literature. They will be allowed to place one promotional material in our give away bag. You will also get Myrrh placement in our event program, being placed directly after the Frankincense pages (third section from the front of the book.)

General Donor 1= \$50-\$99

General Donors 1 will receive a full page ad in the back pages of our event program, as well as a business card in our give away bag.

General Donor \$25-\$50

General Donors will receive a Half Page ad in the back pages of our Event Program.
