

## How Can You Help Us Bring This Event to the Community?

We are looking for partners in the community to help us underwrite specific costs for running the event. Family Church of East Fishkill is providing several free activities, and needs the help of our partners to make this event happen.

If you underwrite one of our costs, we will print a banner stating that it was provided by you. For example if you underwrite decorations, we will put a banner up that says, decorations provided by (your name, logo, or business.)
